Important Company Policies

We strive to provide the best personalized care available. To make this possible, we adhere to a set of very important policies. Please read them carefully, initial all boxes, and indicate your agreement by signing at the bottom.

Late policy – **10 minutes...** Being late by more than 10 minutes will require you to either reschedule or wait for the next available opening. There are no guarantees, since openings due to cancellations are unpredictable. We do not allow appointment overlap (double-booking) because this undeservedly compromises the care of another patient.

 \Box 24-Hour Advance cancellation notice & Missed Appointment fee... If you wish to change or cancel an appointment, we require a *minimum* 24 hour notice. Missed appointments (No-Show) will result in a \$25.00 fee that will be due at your next appointment. If you have missed two appointments without notice, we will cancel all remaining scheduled appointments. Advance notice allows us to fill the appointment slot with someone else who needs the time, is on our wait list, or may call in urgent need. Please be courteous and responsible. Thank you.

Payment is due at time of service... Copays, coinsurance, and payments toward your deductible are due at the time of your appointment, unless other arrangements have been pre-approved. If you have questions with regard to your financial responsibility, please call your insurance carrier. **Important Notice from the Federal Government;** It is unlawful to routinely avoid paying your *copay, deductible, or coinsurance payments*. Upon non-payment, you will be turned over to collections and responsible for any collections fees if your account is left unpaid. If you are experiencing financial hardship, please speak with someone in the office, as we may be able to set up a payment plan that meets your needs.

Scheduling at least 3 weeks out... It is ultimately the responsibility of each patient to make sure they have appointments scheduled *at least* 3 weeks in advance. This will help avoid being added to our wait list, and ensure that you are able to schedule the days and times that work best for you. Being added to our wait list is not a guarantee that you will be added to the schedule.

 \Box As a courtesy to our patients... our staff will use the information you provide to verify insurance coverage and benefits before your initial evaluation. While we make every effort to ensure the information is accurate, it is not a guarantee of coverage by your insurance company. If any portion of your visit is denied or not covered in full, you may be responsible for the remaining balance.

By signing below, you are acknowledging that you understand, and agree to adhere to, the above statements and policies.
